Music Production II
Project 1 – Pachelbel Canon Variations

Input *Pachelbel's Canon in D*. You must use piano only or harpsichord and strings through this portion. Create 6 variations on this theme of your own accord. Each variation should be 8 measures long (twice through the ostinato bass line pattern. These variations must develop one into the next and transition from one into the next. You may utilize different instruments and styles, including at least 2 variations with two different styles of percussion included.

After your 6th variation, wrap up your piece with an attached coda.

REQUIREMENTS:

- ☐ Correct input of the original song
- ☐ 6 variations WITH CODA
- ☐ Originality of variations/usage of instruments
- ☐ 'Clean' alignment of rhythms/beats

_____/20 points
