

Music Tech II  
Project 2 - Ostinato

CREATE YOUR OWN ostinato of at least 8 measures in a MINOR key.

Create a main theme and 4 variations on this theme of your own accord. Each variation should be 8 measures long. These variations must develop one into the next and transition from one into the next. You may utilize different instruments and styles, including at least 2 variations with two different styles of percussion included.

After your 4<sup>th</sup> variation, wrap up your piece with an attached coda.

**REQUIREMENTS:**

- Theme and 4 variations WITH CODA
- Originality of each variation
- Usage of instruments/effects
- 'Clean' alignment of rhythms/beats including TRANSITIONS
