

Lincoln-Way West Band Auditions 2017-2018

When: Tuesday, March 14 from 5:30PM-9:00PM

Audition Day Instructions:

1. Check your assigned audition time.
2. Arrive at Lincoln-Way West approximately 30 minutes before your assigned audition time. Park in the front of the school, and enter through door 56. Follow signs for the Choir Room.
3. When you arrive in the choir room, there will be iPads available for you to complete the 2017-2018 Band Information Sheet. The choir room will also function as the warm-up area.
4. Plan on arriving at your audition room (follow the signs) at least 5 minutes before your scheduled time. Bring your instrument and your music. Each audition room will also have a copy of the audition music. Check in with your room monitor when you arrive at your room. Please refrain from playing your instrument in the hallway, as there are other auditions taking place.
5. When you enter the room, you will see a judge facing away from you. The room monitor will announce your audition number to the judge. The audition is blind, meaning that the judge will not see you or know your name. Please direct any questions to your room monitor.
6. The judge will direct you to begin the audition. Please review the "Audition Information Sheet" for the specifics of the "Honors" and "Basic" audition requirements. The audition will include sight-reading. Please leave the sight-reading selection on the stand when you leave.
7. Once you have completed the audition you are finished for the evening! Results will be posted on the lwmusic.org approximately two weeks after the audition.
